

Actions and Commands:
follow conventions:
the desired actions available
label them well
easy to find
sequences of actions
automation and repetition

Mechanisms

- follow conventions
- Pseudo 3D shading 
- mouse pointer 
- tooltips

Patterns:

- button groups
- hover tools
- Smart menu items
- Progress indicator
- Multi-level undo
- Macros
- Gestures to an action
- Action panels
- "pong" button
- Preview
- Cancelability
- Command history
- Intell-sense
- Single gesture
 → multiple actions
